Long Island Board of REALTORS® Affiliate Connect Summer 2017

Summer Networking

By Michael Miller, Business Development Manager

Summer networking is the best networking. That's not just because the meetings are at beaches or on boats... Morning meetings in February are valuable to be sure – but something about an ocean breeze makes conversations on housing trends and mortgage rates that much more impactful.

Summertime gives you a chance to meet our members in a casual atmosphere, get to know them and build that relationship. Look to your left, there is a full list of upcoming events, and always keep an eye on the LIBOR Events Network for future meetings.

Affiliate orientations are not at the beach or on a boat – they are in a well air-conditioned conference room. Even still, affiliates are getting to know one another, which leads to working with one another. Realtors® aren't the only audience for you, our affiliates are a resource, and perhaps your next customer.

Looking ahead to fall, make sure that you get involved in Tech fair. I can't tell you how much this yearly event has benefited the many affiliates that exhibit and sponsor. I hope to see you all there.

"In Networking never underestimate anyone's connection potential. Sometimes even a small office helper can connect you to the Business Owner!" *Sampath K. Iyengar*

Do you have any questions for our affiliates?
- for yourself or for your clients? Let me know.

LIBOR's Realtor® Volunteer Build Day

We'd like to give a special thanks to our affiliate members Rob Farrell of the B&G Group and Ori Chimino of Distinctive Home Inspection Services, Inc., who donated their time and skills to help build a wheelchair ramp during LIBOR's Realtor® Volunteer Build Day held in June, in conjunction with Rebuilding Together Long Island. The construction of the ramp will allow the disabled homeowner to remain in her home of twenty years, and to come and go with ease. It was an inspiring day working together to help make a positive difference in the lives of a family in need.

Our next Volunteer Build Day will be on a LIBOR sponsored Habitat for Humanity of Suffolk home on Thursday, August 31st, location tbd. If you would like to volunteer or for more information, please contact Christina Romano at pr@lirealtor.com.
