## MAKING STRIDES AGAINST BREAST CANCER

Almost everyone has been touched by breast cancer in some way. We honor those touched by the disease by raising awareness and funds to fight for a world without breast cancer.

Through the “We’re More than REALTORS®...” campaign, the Long Island Board of REALTORS®, Inc. (LIBOR) is proud to sponsor this year’s 25th Annual American Cancer Society Making Strides Against Breast Cancer of Long Island and Eastern Long Island Walks.

Each event is a noncompetitive 3 to 5-mile walk that brings thousands of people together to make a difference for everyone who has been touched by breast cancer.

Please join us as we support this mighty effort and help us celebrate twenty-five years of progress in work towards defeating this disease.

## WHY WALK WITH US?

In 2018, more than **266,000 women** are expected to be newly diagnosed with breast cancer.

Breast cancer is the second-leading cause of cancer death in women.

## THE DOLLARS YOU RAISE HELP MAKE A DIFFERENCE.

**\$25** could help provide a wig to a patient in treatment.

**\$50** could help provide patients and caregivers with free lodging when they have to travel for cancer treatment.

**\$100** could help one woman attend a workshop to feel more empowered and confident in dealing with appearance-related side effects from treatment.
