RPAC contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of Realtors® (NAR), the New York State Association of Realtors® (NYSAR), and the Long Island Board of Realtors®, Inc. Your contribution is split between National RPAC and State PAC. 70% of each contribution is used by the State PAC to support state and local political candidates.
