RPAC contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of Realtors® (NAR), the New York State Association of Realtors® (NYSAR), and the Long Island Board of Realtors®, Inc. (LIBOR) will not favor or disfavor any member because of the amount contributed. Your contribution is split between National RPAC and State PAC. 70% of each contribution is used by the State PAC to support state and local political candidates. Until your NYSAR PAC reaches its PAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 52 U.S.C. 30116; after NYSAR PAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
