Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS, the New York State Association of REALTORS or any of its local boards or associations will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your NYSAR PAC reaches its PAC goal 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after NYSAR PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.
